C.O.M Form

For all fabric not graded into the Silver Seating product line, please contact us with the Supplier's name, pattern number, and color number. Please specify the product the c.o.m. fabric is intended for.

If a c.o.m. fabric has not been previously tested by Silver Seating, you may be requested to provide test yardage of two yards.

Please complete the c.o.m. information below and forward it to Silver Seating along with the test yardage. Allow 5-7 business days after Silver Seating receives the test yardage for test results.

Upon approval of the c.o.m. fabric, Silver Seating will issue an Approval Number. Upon placing your purchase order to Silver Seating, please reference the c.o.m. Approval Number on your purchase order.

Please contact Customer Service for appropriate lead times. Production orders will be scheduled only after all c.o.m. material has been received.
